COMMUNAL GARBAGE BIN/RECYCLE STATION ASSISTANCE PROGRAM

Collection boxes and/or recycle stations should be in place at all communal pickup locations, such as private lanes. Properly maintained collection areas have the potential to reduce a considerable amount of garbage litter and keeps bears and other nuisance wildlife out of residential garbage and recycle. **This program is not for single residences.**

South Frontenac Township has committed to providing 50% of the total cost of the bins and/or recycle stations. Inspections will be performed prior to accepting the application and will provide an adequate pad if needed for the bin within reason. This will insure a safe and accessible location for both the residents and the Collectors.

Winter snow removal and sanding of the Collection area is the responsibility of the Lane Residents.

THE FOLLOWING CONDITIONS APPLY:

- 1. The area around the bin/station must be kept litter free.**
- 2. All maintenance of the bin/station is the responsibility of the applicant.**
3. Prior inspection of the area must be performed by Township staff for safety and removal accessibility.
4. South Frontenac Township will provide manpower and materials to upgrade or construct suitable landing areas for the bin/station to a reasonable extent.
5. A cheque to cover 50 % of the total cost of the Garbage Bin/Recycle Station must accompany the application (see below).
- 6. The Applicant entering into this agreement agrees to monitor and ensure the cleanliness around the bin/station.**
7. The Applicant entering into this agreement agrees to maintain accessibility to the area by garbage collectors during the winter months.
8. The removal of any existing bins and all costs associated will be the responsibility of the Applicant prior to the placement of the new bin(s)/station.
