

VOLUNTEER OF THE YEAR AWARD CITATION

STEVE AMEY

Steve Amey is a life long resident of Sydenham and has been a member of the Loughborough Recreation Committee, a Canada Day Committee volunteer and has been involved in the maintenance and development of the baseball diamond at the Point.

Steve has given unconditionally to Sydenham Minor Softball for the last fourteen years. He has had many sleepless nights and summers where he has had no time to himself. If he wasn't acting as President for Sydenham Minor Ball then he was coaching one or two girl's teams.

Steve has mentioned many times how much gratification he gets, observing a child playing t-ball for the very first time, or the excitement on their faces when they get to take home their team uniform. One year that Steve was president, seven out of ten teams won the championships in the Frontenac Minor Softball area.

Since Steve has ran Sydenham Minor Ball there has been up to 140 children on a yearly basis from Sydenham and the surrounding area who have had the pleasure of playing and enjoying this sport each year.

Steve Amey deserves the recognition for the outstanding volunteer service that he has provided to the children and young adults from the Sydenham area.
